

Meeting Notes 22th March 12:30-16:00

Agenda:

Work together to polish off and submit the project, as well as preparing for the forthcoming presentation.

Time: 12:30-16:00

Date: 22/03/2023

Present: Benjamin Theron, Daniel Gilder, James Andrew, Louis Lusso, Oliver Medzinskii

Discussion Points:

- Oliver Medzinskii – Worked on finishing off the UI and connecting it to the existing parts of the program. Additionally, worked on a poster for the presentation.
- Daniel Gilder – Worked on creating a toggle to switch between the player and building leaderboards, in addition to remedying any UI errors.
- Louis Lusso – Polished off the Gamekeeper features and any issues with hosting the project and the UI.
- James Andrew – Worked on the CO2 calculations, fixing bugs with the leaderboard and CSS.
- Benjamin Theron – Worked on the meeting notes, fixing the IP feature, and the burndown rate.
