**00** Board

## Meetings

2nd Feb 15:30-16:00

 $\equiv$ 

10th Feb 12:30-13:30

 $\equiv$ 

23rd Feb 10:30-11:10

 $\equiv$ 

27th Feb 13:30-14:00

 $\equiv$ 

1st March 11:30-13:30

 $\equiv$ 

2 March 9:45-10:50

SPRINT 1 PRESENTATION March 2nd 10:50

 $\equiv$ 

Presentation Feedback Meeting 11:15

 $\equiv$ 

10 March 11:45-12:45

20 March 12:00-13:00

 $\equiv$ 

20 March 13:00-5:00

21 March 12:30-5:00

22 March 12:00-20:00

22 March 20:00-21:30

#### Policies and resources

Meet as a group for at least half an hour each week to plan for the week ahead.

Give a days notice if you are not able to attend a meeting

Comment code as you go so if you reach a wall someone else can take over more easily

Use django throughout and follow pep8 guidelines

Use branching when developing

Github

https://github.com/jjandrew/GroupEn gineeringProject

## **Backlog**

Should have

UI for submission rejection

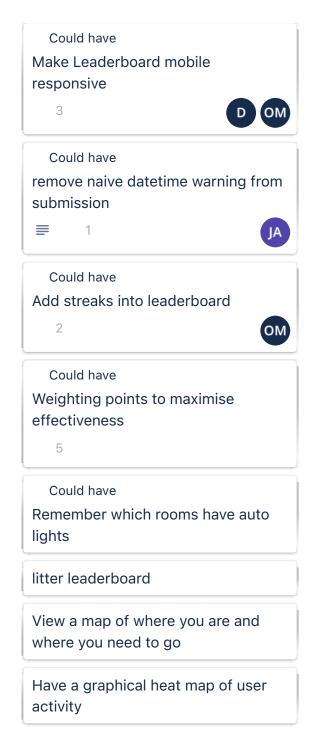

2

Should have

remove login/sign out option in menu

1

## Specification doing (4)

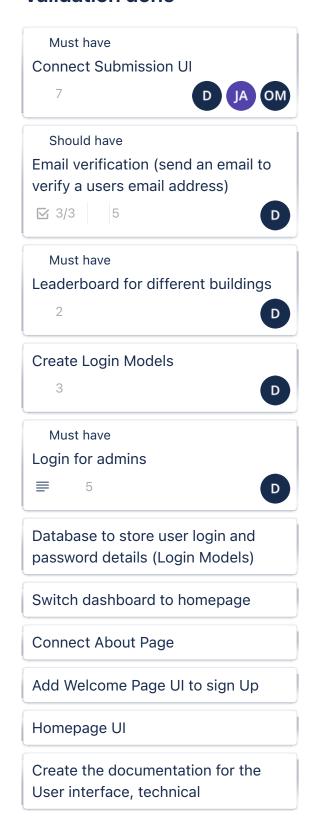

## Specification done (4)

# Implementation doing (4)

## Implementation done (4)

## Validation doing (4)

#### Validation done

Poster for app

Add a filter toggle for the leaderboard
